# Renewal

**Here's how to renew your pass at Christmas and Easter.**

If you have purchased an annual pass, you will need to collect next term's pass *before* the holidays.

If you have purchased a termly pass, you will need to buy next term's pass on the first day of the new term.

The exact dates that we will be at the college will be listed nearer the time on our Facebook page.

The college will also send a reminder.

We will be located near the college shop.

**When renewing your pass, you will need:**

Your student ID

Your old pass

Next term's payment (termly passes only)

We allow students to travel for no charge on the first 2 days of term. If you do not have your new pass after the first 2 days, you will need to pay the appropriate fare until you have your new pass.

# A few guidelines...

## **Boring, but very important!**

Please make sure you bring your pass every time you travel. If you forget, you will have to pay.

Please make sure you carry your student ID when travelling on a college bus service.

Please do not vandalise the bus. It costs a lot of money to repair seats and remove graffiti. We want to keep the fares as low as we can!

Termly and Annual passes are exclusive to students who go to Barton Peveril College. You can lend it to a friend if you wish but only if they go to Barton Peveril and carry their student ID when travelling.

Termly passes are valid from the first day of term until the last day of term and do not cover the holidays.

Annual passes are valid from the first day of the college year until the last day of the college year and passes can be used in the Christmas and Easter holidays.

**Each PurplePass remains our property at all times and we have the right to withdraw a pass if we have a good reason to. If a pass is withdrawn, it may be subject to a £15 replacement fee.**

# Replacement Passes

## Lost or damaged?

Please try to take care of your pass! However, if something happens, you will need to do one of the following.

If you lose your pass, you will need to buy a replacement from our office for £15.

If your pass manages to break or snap then it can be replaced free of charge as long as there are no parts of the pass missing and the serial number can be read. If the serial number cannot be read clearly or part of your pass is missing, you will have to pay £15 for a replacement at our office.

Weekly and monthly passes cannot be replaced if they are lost or damaged.

**If a pass gets damaged, please replace it as soon as possible. We have the right to withdraw a pass if it is damaged and you may be subject to a £15 replacement fee.**
